## Meridian Health

Meridian Health is a family of non-profit health care organizations in Central New Jersey comprising Jersey Shore University Medical Center in Neptune, Ocean Medical Center in Brick, Riverview Medical Center in Red Bank, and Partner Companies that include home care agencies, long-term and assisted living communities, ambulatory care, ambulance services, primary physician offices and occupational health located throughout Monmouth and Ocean counties.

Meridian Health's centers of excellence include cardiac care and surgery, orthopedics and rehabilitation, cancer care, and women and children's health. Meridian Health is the designated regional provider of trauma services and cardiac surgery, which has been ranked as the top program in New Jersey.

With over 7,500 dedicated employees, Meridian Health is the largest employer in Monmouth and Ocean counties, and one of the top 25 largest employers in the state of New Jersey. In addition, we are home to over 1,300 of the region's finest physicians.

- Meridian Health was the first health system in the nation to achieve the prestigious Magnet Recognition at each of its partner hospitals by the American Nurses Credentialing Center, the nation's largest and foremost nursing accrediting and credentialing organization.
- Jersey Shore University Medical Center has consistently been ranked among the top cardiac surgery programs in the region.
- Jersey Shore University Medical Center is a university hospital affiliate of the University of Medicine and Dentistry of New Jersey-Robert Wood Johnson Medical School, the only university-level hospital in Monmouth and Ocean counties.
- Jersey Shore University Medical Center is the only hospital in the region accepted as a full member of the National Association of Children's Hospitals and Related Institutions.
- Meridian Health was recognized in 2003 as the "Outstanding Employer of the Year" by the New Jersey Business and Industry Association and named in 2005 as one of the top 25 Best Places to Work in New Jersey by *NJBiz* magazine.
- Meridian Health has been named one of the top 100 "Most Wired" health systems in the nation by *Hospitals and Health Networks* magazine for the past three years.
- Riverview Medical Center is home to the only fully accredited inpatient rehabilitation center in Monmouth County.
- Ocean Medical Center oversees New Jersey's first full-serve, 24-hour-a-day satellite emergency department, located in Point Pleasant Beach.
- Riverview Medical Center and Ocean Medical Center are among the first community hospitals in the region to offer primary angioplasty, a life-saving procedure for patients suffering from heart attacks.
- All three Meridian Health partner hospitals are fully accredited by the Joint Commission on Accreditation of Health Care Organizations, with their most recent scores ranging from 94 to 98 on a scale of 100. Partner companies Meridian Home Care and Shore Rehabilitation Institute each achieved scores of 99.
